Subject: document author change

Hi Melinda,

Thank you again for getting everything together for us after a frantic past couple days. We really appreciate it.

It was pointed out to me that for doc 615467 the author is WSP however that is not entirely accurate. Is it possible to change the author at this point?

If so please change it to either:

“The FS was completed by the U.S. Environmental Protection Agency based on work performed by Woodward and Curran, on behalf of PPG Industries, Inc., with technical review and oversight for USEPA performed by Louis Berger US, Inc., a WSP Company.”

Or If that is too long then just “US ENVIRONMENTAL PROTECTION AGENCY”

Thanks!

Josh
